

# *Contents*

I.	Introduction	
1.1	Positioning and goals .....	1
1.2	Implementation system .....	1
1.3	Survey methods.....	2
II.	General findings	
2.1	Major results regarding topics.....	11
2.2	Major results regarding areas .....	32
2.3	Overview of areas .....	46
2.4	Field integration and collaboration .....	76
2.5	Overall analysis.....	78
III.	Particulars (results by field)	
	How to read the survey results .....	89
3.1	Information and communications .....	93
3.2	Electronics.....	139
3.3	Life science .....	187
3.4	Health, medical care and welfare .....	225
3.5	Agriculture, forestry, fisheries, and foods .....	265
3.6	Frontier.....	291
3.7	Energy and resources .....	335
3.8	Environment.....	369
3.9	Nanotechnology and materials.....	403
3.10	Manufacturing.....	441
3.11	Industrial infrastructure.....	479
3.12	Social infrastructure .....	515
3.13	Social technology.....	567
	References	
A.	General descriptions of the areas .....	605
B.	Illustrations of future society .....	617
C.	List of participants .....	621
